XT-42
Centre Hole Basin Mixer

XTREME
COLLECTION

The elements transform Xtreme into an avant-garde element in your bathroom. However, the tech adopted here is not merely tech for tech's sake but rather an essential foundation and concept of the staging. The entire tech remains invisible and only the cool style of the fitting is visible.

Centre Hole Basin Mixer

**AXIS
COLLECTION**

Axis is a fictional character who is tough and protector. Axis from Linnet is an avant-garde, ultra-flat and striking designs include rectangular lines and generous dimensions. It is aspirational yet achievable, fusing contemporary style with functional design. Its compact nature means that it will help solve all those aqua issues without compromising on the overall look of your bathroom.
